

Treatment and Financial Policy

All treatment is presented to our patients with the utmost concern for your dental needs. Each treatment plan is presented as an estimate only. We will submit your insurance as a courtesy for you.

Please understand that your insurance policy is a contract between you and your insurance company. We are not a party to that contract.

In some cases insurance carriers may pay for the alternative benefits other than the treatment performed. In this case you are responsible to pay for the difference. Even if you have dual coverage, there may still be a portion that is your responsibility.

All Co-Pays and deductibles are due prior to the treatment

We welcome you to our office and want to provide you with the best care possible. If you have any questions regarding our policies or your treatment, please do not hesitate to ask.

I have read and understand the Treatment/Financial Policy.
